

Adapterplate 60m.m. 70798

This Dash Mount is designed for:

Mounting a mobile phone and a handset near to each other.
Mounting two mobile phones.
Mounting other objects to the cars dashboard.

Monteringsanvisning

Steg 1: Adapterplaten benyttes i de tilfeller der det er behov for en alternativ plassering av mobiltelefonen eller om en ønsker å installere ett passivt håndsett ved siden av mobiltelefonen. Adapterplaten kan selvfølgelig også benyttes til å feste andre ting på bilens dashbord. Adapterplaten skrues fast i en Dash Mount med 3m.m. bolt og mutter og kan vinkles etter eget ønske. Adapterplaten leveres også med lengde 120m.m. Artikkelnummer 70799.

Mounting Instruction

Step 1: The Adapterplate is used when you need an alternative location of your mobile phone or if you want to install a passive handset near to your phone. The adapterplate can also be used to fasten other objects to the dashboard. The adapterplate is fastened to a Dash Mount with 3m.m. bolt and nut in the position you prefer. The adapterplate is also available with the length 120m.m. Art.no. 70799
